<https://www.facebook.com/KESHAcademy/>

As the 2024/2025 academic year comes to a close, we just want to say a massive congratulations to all of our students who have completed their GCSE, A Level and mock exams this Spring/Summer term. It has been challenging and demanding at times, but the KESH students have done what they always do well, they remained determined and ever so resilient. We also cannot forget all of the hard work that goes on behind the scenes, from the teachers supporting our students with revision sessions, the staff members who ensure everything runs smoothly on the day and our lovely invigilators who help support every exam. Another big thank you to our budding Year 7 journalists for their contributions this year and to Mrs Crook, for bringing each newsletter to life. We feel so incredibly proud to be part of a wonderful community here at KESH.

The Summer term has once again been packed full of activities and events. The PE department have been busy, and our students have gained a variety of winning titles. The History and Geography team have been exploring the country, including Shropshire, Stratford-upon-Avon, even all the way down to London. The Spanish department (and Mr Toal and Mr Miller) took some of our students out of the country and overseas to Barcelona, to get a real taste of Spanish life. Mr Cave ran the annual KESH FIFA house competition and Miss Wheatley has been sharing the love for reading all around Birmingham. We are pleased to introduce the up-and-coming 'Sheldon Sounds', a newly formed small group choir who have been gracing us with their musical talent and Mrs Qayyum has shone the spotlight on our Envision and Brilliant Club students. We cannot wait to see what the next academic year has in store for all of our pupils. Best of luck to all of our students in advance of results day, you have worked so hard, and we hope you get the results you deserve.

To all of our students, families and staff, have a restful summer break (hopefully the sun stays for us all) and we look forward to welcoming you all back and meeting our new Year 7's and 12's again in September.

~ Miss Williams and Miss Barnett

A message from the Head of School: Mr Billyeald

FRESH

KESH

Dear Families,

As we get to the end of another school year, I thought it would be nice to reflect on some of our achievements:

This year we have been incredibly fortunate to receive some funding from The Rigby foundation as part of their 'Inspiring Futures' programme. The Charity was set up by Sir Peter Rigby and Patricia Rigby in 1992. The Foundation now supports young people from low-income backgrounds in the West Midlands, helping them to access the best education possible and to have the chance of securing meaningful and sustainable employment. The funding they have provided will enable us to work with 4 charity partners next year:

- Place to be – providing us with a dedicated mental health professional to work with our students as required.
- Into University – who will work with students to provide Academic support and mentoring both in school and at their centre in Kitts Green.
- Zero Gravity – who provide a mentoring programme and online platform for Sixth form students to promote access to university.
- Envision – a group that work with our year 9 students developing and evaluating community action projects.

We have also had numerous trips and visits (over 80 during the course of the year!) including:

- The Year 7 outdoor education visit to Blackwell Adventure.
- Trips to Stratford and Carding Mill Valley for our Year 10 geographers.
- Trips to the Imperial War Museum and Cadbury World for our year 10 historians.
- Reward trips for all year groups to Drayton Manor and Alton Towers.

- Trips for year 8 and year 9 students to Aston University and Oxford University.
- A Sixth form trip to KPMG where students got the opportunity to develop their skills to support applications to university and apprenticeships.
- Our annual Year 10 trip to Barcelona.

And towards the end of the year, we have celebrated the successes of our students in our Sports Personality of the Year and Year 7 Rewards events – well done to all those students who received recognition for their hard work this year. I would like to take the opportunity to thank all the staff at the Academy for all they do to support our students by offering some many extra-curricular clubs and trips to enrich their experiences.

We have also been involved in community action projects such as the year 9 litter picking team, who have done regular morning litter picks on the Sheldon Heath Road, our incredible choir have been out to perform at an old people's home, and in March we hosted our annual rowing week where the school community took part covering a total distance of 2533469m!

And finally, a thank you to you, the parents and carers who support us daily by getting your children into school on time, in the right uniform and ready to learn. We wish you a restful and relaxing summer.

~ Mr Billyeald

Paws and Pages: Reading with Rescue Dogs

On Wednesday 11th June, some of our Year 7 students visited Birmingham Dogs Home to read to the dogs. The Students read beautifully and listened really well to staff guidance around the dogs.

They were excited to meet each other and some of the dogs lay down for a nap, whilst students were reading. The dogs enjoyed meeting and greeting the students and having various stories read to them. They were a very captive audience and at times, wanting to sit in on the action whilst students read, or some waited until after story time to say their thanks yous.

Campus Calling:

Students Step Into Their Future at University College Visit

Through our IntoUniversity partnership, our students got to visit University College Birmingham. They had a lovely day! Alongside learning lots of information about routes into higher education, they got to take part in a cooking master class with Chef Giovanni and made pasta. They also got to experience a mini travel and tourism practical in a classroom with a reconstruction of an aeroplane.

- Mrs Qayyum

No Siesta, Just Fiesta!

KESH Conquers Catalonia!

The Barcelona trip, which took place from the 30th of June to the 4th of July, was a real success! The pupils were able to immerse themselves into a multitude of Spanish activities, from trying Spanish food, seeing a live flamenco show with dancers and musicians, visiting the Basilica of La Sagrada Familia and the famous stadium of Barcelona (Camp Nou). We even spent a whole day at the water park, which most students said was their favourite activity. We also had time to visit the beach and the amazing streets of Barcelona city, where lots of souvenirs were bought by the students. Many pupils also enjoyed the aircon on the metro, buying Spanish hand folding fans to survive the heat, looking for bargains in the market and spending time with their friends in the downstairs lounge and upstairs terrace at the hostel with snacks and games. Everyone came back a little more tanned, some burnt, and with so much more experience and things to talk about!

~ Miss Paredes

Trips and Visits

Singing the praises of Sheldon Sounds

The Sheldon Sounds took a trip to Aron Court care home to perform to the residents. They had a great time, and the students loved it too. Each and everyone of them really did us proud, in their dress rehearsal prior and in their performance at the care home. There may have even been a few tears (of joy) at the end from students and residents.

Huge thank you to Mr Jennings for organizing and Mr Toal for driving.

~ Mrs Graham

Rocks, Rivers & Rambles: A Journey Through Carding Mill Valley

This term, our Year 10 Geography group visited Carding Mill Valley, in Shropshire, to investigate how rivers change as they move downstream. The trip was a chance to put classroom theory into action and complete one part of their GCSE fieldwork studies.

Armed with wellies, measuring tapes, and clipboards, we set off to explore the River Ashbrook. One of the first unexpected challenges was... horses! A group of them were relaxing right where we needed to access the river, and it took a bit of gentle encouragement (and some very cautious walking) to get them to move along.

Once in the river, we measured depth, width, and velocity at different points along the stream. Everything was going well until one student – who will remain nameless for dignity's sake – managed to fall in the river not once, but twice! Thankfully, he was fine, spending lunch under the very weak hand dryers in the car park toilets.

It was a brilliant day overall – not just fun, but really useful for helping us understand how rivers develop from source to mouth. Plus, we got to see the physical processes in action, which definitely beats looking at diagrams on a whiteboard!

The next fieldwork trip to Stratford-Upon-Avon will take place in July - where we will steer well clear of the river!

Wellbeing Support Over Summer: **You're Not Alone**

Whilst school may be closed for summer, support is not. If you find yourself struggling with your mental health over the holiday, or have any worries and concerns, you can access the support you need by clicking the link below: Mental Health Foundation, Pause and Kooth. Someone is always there to listen and to offer support.

<https://www.keshacademy.com/student/keeping-safe-and-well.html>

Kooth

Kooth are running a webinar over the summer, discussing loneliness and healthy relationships. Access the webinar using the link below.

<https://connect.kooth.com/kooth-klass-webinars>

Compass Birmingham

Thank you to Compass for their support this past academic year. Compass Birmingham Mental Health Support Teams (MHST) offer free, and confidential support to Children, Young People and Families with mild to moderate emotional health and wellbeing needs at the Academy.

Stay tuned for some exciting events and more!

Compass Birmingham is here for you and your family during the summer!

Get in touch with us if your child could benefit from:

- individual support or group support
- building coping skills and strategies for a range of issues
- resources to help manage their emotional wellbeing

Through Compass LINK we are here to provide helpful information, advice and support during the summer break from 9 AM to 5 PM from Monday to Friday.

If you would like to contact us outside these times please drop us an email and we will get back to you.

CONTACT US

Wellbeing Peer Mentors

We will be relaunching 'Wellbeing Peer Mentors' in September and applications will be open to Year 9's & Year 12's. Our Mental Health Peer Mentoring Programme is run in partnership with Minds Ahead. It is accredited by the Royal Society for Public Health and provides students with the opportunity to earn a Level 2 Award in Peer Mentoring.

Star Staff Alert: Organ, Toal and Gordon In The Spotlight!

Mr Organ, Mr Toal and Mr Gordon were all nominees for the King Edward VI Foundation Awards, and whilst you were all winners in our eyes, Mr Organ only went and won the Values award! A huge congratulations is deserved. Organ! Organ! Organ!

30 Years, One Legacy: Lynnette Celebrates Career Milestone

On behalf of everyone at KESH I want to congratulate Lynnette Evans who has celebrated her 30-year KESH anniversary. Lynnette joined us on the 5th of July 1995 and has remained diligent, professional, and clearly, a very loyal member of the admin team. She will always do her utmost to support her colleagues, so I would like to say many thanks for all your hard work over the last 30 years – it is very much appreciated by the KESH community.

KESH

Mr Blair - Head of Year 7

Year 7's – Super Proud of you!!

Transitioning from primary to secondary is a huge step for our children, and this was the initial case for our Year 7's. With expected fears and anxieties and uncertainties. However, as the year has moved on the progression in our children has rocketed along with their confidence, maturity, resilience, and can-do attitude.

Our Year 7's are showing maturity older than their years, and this is through them really buying into the core values at KESH, along with the support of our families. Students have supported each other built positive friendships and support networks and showed a willingness to improve.

As a collective we achieved a record-breaking amount of house points last year. 447, 231 to be exact. Amazing achievement.

Our Year group love attending after school curricular with a vast majority attending Sports, Arts, Coding, Manga and various other clubs. We also have 30+ students in the choir. Our students do enjoy these clubs, and this helps build stronger friendships.

A huge shout out to our Year 7 football team who went unbeaten the whole year. We won tournaments at Ninestiles and Small heath, we won the Cup and won the League without losing a single match. Hopefully, a lot more to come from these boys.

Sadly, I am not moving on with the year group, but I step back with pride, knowing that our Year 7's are going to be brilliant!!

Mr Gordon – Head of Year 8

It has been such a positive year for our fantastic year 8 students! Along with seeing some strong academic progress it has been incredible to witness year 8 have so many experiences that raise aspiration - one of our core values - which so many students have taken advantage of.

Earlier in the year we had the quiz where 56 students were battling it out with 'Sebs Jagernaughts' turning out winners after an entertaining tie break. Year 8 were also lucky to see a poet perform, go on a theatre trip as well as a wide range of sports fixtures that have been huge in developing students' confidence and self-worth. The talent competition had a strong year 8 contingent with wonderful performances from Karson, Thomas, Poppy and Francesca in particular - great job. Along with pizza parties, breakfasts, hot chocolate mornings, cinema events and end of term assembly raffles, year 8 have had a great deal of rewards along with a record-breaking year in house points! The famous rowing week was another great success in year 8 with many students making the leader boards including, Musa, Sophie, Archie, Tauseef, Hifsa, Kylan, Rajay and Luke - well done all! As well as having some superb artwork put on display, year 8 have also had the opportunity to visit the Birmingham library and two different Universities in aim to broaden horizons. This academic year birthed the creation of the 'Sheldon Sounds' choir where many year 8s have completed performances in assemblies and finished the year with a lovely performance in a local residential care home; well done to Kaylee, Leann, Saarah, Emma and Poppy with heartfelt contributions. One of the greatest achievements of this year is the football team being crowned 7-a-side champions in the tournament at Small Heath - the students thoroughly enjoyed their KFC reward along with lifting the trophy, well done to Archie, Logan, Sophie, Bilal, Tayon, Remy, Jahviah and Pierce!

Finally, it has been a wonderful year, and I am very proud to be the head of year 8, bring on year 9!

Have a great summer holiday and we look forward to seeing you in September.

KESH

Mr Cremin – Head of Year 9

As we come to the end of Year 9, I wanted to take a moment to reflect on the incredible journey we've shared. From navigating the ups and downs of school life, celebrating sporting success (boys' and girls' football and girls' netball), developing social skills during the Envision projects, all alongside your academic achievements. It's been an absolute pleasure watching you all grow and develop.

I'm so proud of the way you've supported each other, shown resilience in the face of challenges, and demonstrated kindness and compassion to those around you. We have developed into a community that works, supports, and guides each other. Your hard work and dedication has paid off, and I'm thrilled to see the progress you've made so you have a great platform for your GCSE's. As you move into Year 10, I encourage you to continue striving for excellence (remember, look after the little things!), taking risks, and pursuing your passions. Remember that it's okay to make mistakes – they're an important part of the learning process and we are all on a journey that is not always straight forward! I'm honoured to have been a part of your journey, and I wish you all the very best for the future. Keep shining and never forget your potential!

Miss Joyner – Head of Year 10

What a year it's been for our incredible Year 10 cohort! I couldn't be prouder of how focused, determined, and resilient they have been as they stepped into the world of GCSEs – culminating in their very first mock examinations. A big milestone, and one they handled with maturity and commitment.

But, in true Year 10 style, academic achievement was just the beginning. From singing in the school choir (including a truly heart-warming performance at a local care home) to scoring big on the football pitch – yes, we beat our rivals... I'll let you guess which school! – It's been a year of success, joy, and growth. Many of our students also braved the wilds for their Duke of Edinburgh assessment trip, showing teamwork, perseverance and maybe a few creative cooking attempts on a camp stove! And of course, how could we forget our unforgettable trip to Barcelona – a highlight that brought culture, laughter and probably a few extra suitcases home.

Each year, I find myself more inspired by this cohort. They are respectful, kind, funny, and truly a credit to KESH. It's hard to believe they're now heading into their final year with us – yes, their final year! Time really does fly when you're surrounded by such wonderful young people. Here's to a fantastic final chapter ahead – we're excited to support them every step of the way.

FIFA House Competition

Wow! What an incredible FIFA House Competition we witnessed! The energy, excitement, and skill on display made it an unforgettable afternoon for everyone involved.

The tournament kicked off with blistering quarter-finals, featuring four thrilling matches that kept everyone on the edge of their seats. The competition only intensified in the sensational semi-finals, where two best friends went head-to-head, proving that rivalry and respect can go hand in hand.

Then came the third-place playoff, a match filled with twists and drama (best game of the Tournament) as Azan (Green House) raced to a 2-0 lead...only for Deacon (Purple House) to stage an epic comeback, winning 3-2 in an electrifying finish.

The grand final saw Jailen (Blue House) face-off against Logan (Purple House) in an extraordinary match, showcasing skill, determination, and pure passion for the game. Logan emerged victorious with a 4-2 win, earning the prestigious title of FIFA House Champion!

A massive thank you to all Year Form Tutors for pushing this Competition. A huge credit goes to Year 7 students that turned up. You all made this event truly special. Year 8 next!

~ Mr Cave

Final House Standings:

1st – Parkes House (40 pts)

2nd – Walters House (30 pts)

3rd – Tolkien House (20 pts)

4th – Lloyd House (10 pts)

Reading, Relics and Revelations:

A Trip to Birmingham Library and Museum

Miss Wheatley has been busy again encouraging the students' love for reading, with an exciting trip to Birmingham library and museum.

"The Year 7 librarians did lots of exploring at both venues and for some it was their first (but not last) visit to the library and museum. Kamara decided to be the storyteller for us, whilst we had lunch on the story steps, and a few braved their fears to take in the views of Birmingham from the rooftop gardens."

~ Miss Wheatley

Accelerated Reader Shout Outs!

Our word millionaires (those who have read more than one million words so far) are...

Year 7

Charlene
Libby
Inaaya

Year 8

Lillie (who is a multi-millionaire, having read over 3 million words)

Amina in Yr7 wins the title of 'Top Borrower' for the greatest number of books loaned from the library this term.

Sports Highlights

FRESH

KESH

Football

Year 10 boys football team beat Ark Victoria 4-2.

Year 7 boys football team beat Waverley 5-0 in the cup final and ended up winning the league as well. They managed to go unbeaten all year which is a big achievement; scoring 37 goals in 6 games.

We took Years 7 and 8 to a local athletics event where our Year 7 boys managed to come second overall from about 10 schools!

~ Mr Hall

Netball

Two teams of Year 8 played netball against Grace Academy. 1 team won 1-0 and the other team lost 2-0. All students shown great teamwork and sportsmanship. The teachers from Grace Academy loved how energetic and positive our students were! 15 year 7 girls attended a 'Girls of Brum' celebration at the Alexander Stadium, where they had the opportunity to participate in a range of activities!

~ Miss Watkins

Athletics

On the 3rd July we took a Year 7 and 8 Athletics team over to KES to compete in the foundation athletics meeting using the facilities of the University of Birmingham. Some stand out performances from Thomas Yr8 (1st in Javelin, 2nd in Triple jump, 3rd in 800m), Somkenechukwu Yr7 (1st in 100m), Marques Yr7 (2nd in 100m) and Kyle Yr7 (2nd in 100m hurdles).

~ Mr Gordon

Sports Days 2025

We had two days of fantastic effort from our students on our Sports Days this week – well done to them all! The results are as follows:

YEAR 7	
Overall scores	
Walters	315
Parkes	257
Tolkien	220
Lloyd	227

YEAR 8	
Overall scores	
Walters	242
Parkes	242
Tolkien	254
Lloyd	209

YEAR 9	
Overall scores	
Walters	229
Parkes	214
Tolkien	241
Lloyd	280

YEAR 10	
Overall scores	
Walters	271
Parkes	262
Tolkien	202
Lloyd	253

Sports Highlights

Sports Personality of the Year

I'm almost ready to share the results of the 'Sports Personality of the Year' award... but first, let's build some suspense and appreciation!

Before I get to the juicy part (yes, the results!), let me give a few much-deserved shoutouts:

- **The PE team:** Legends. Absolute legends. You not only ran over 50 event like pros, but your kind and heartfelt words genuinely brought joy to students and parents. Your tireless effort with extra-curricular clubs clearly made a big impact and now you've got the applause (and probably a sore throat) to show for it!
- **The Organs (Mr. and Master Organ):** Lighting? Nailed it. Music? Perfect vibes. Display and presentation? Chef's kiss. Thank you both for turning a school event into something worthy of the West End.
- **All the staff who donated raffle prizes** and bought tickets: You wonderful humans raised £102! That means boots on feet and smiles on faces.
- **Denise and the admin dream team:** Heroes of the raffle world. Your behind-the-scenes wizardry kept it all running smoothly.
- **The FM team:** For transforming the theatre like backstage ninjas. No stage magic without stage setup!
- **Form tutors and the pastoral team:** For surviving the tidal wave of "SPORTS PERSONALITY???" emails. You deserve medals just for your inbox management.
- **The 6th form volunteers :** You gave up your time (and probably your sanity), and we are so grateful.
- **Sarah Chainey:** A massive thank you for handling the refreshments! You kept everyone fuelled and hydrated (and possibly more energetic than they were at the start of the night). A true lifesaver!
- **A special shoutout to Miss Morroll for entrusting me with her precious 'baby Sporty.'** Thanks for believing I could handle it... or at least for hoping I wouldn't completely wreck it! Your trust was brave, bold, and borderline reckless — much appreciated!
- **And finally, all the staff who came and supported on the night –** Whether you clapped, cheered, or just kept things from catching fire—THANK YOU! So, hats off to everyone. You made the night a roaring success.

~ Miss Jones

- Sophie

The winner of the sports personality of the year awards goes too...

SOPHIE Yr 8

Student Spotlight

Where Vision Meets Action

KESH came in second place (again!) at the Envision Final.

Our students were absolutely fantastic, and they were true winners in my eyes. The pupils did a drama, followed by a presentation, and a song. I am told that there was 0.25 within the overall mark and there were some disappointed faces yesterday. Although I am so proud of them myself!

Over the last 2 months the Year 9 students have:

- Litter picked for 4 weeks outside of the school gates
- Presented in assembly

- Encouraged 30 other Year 9 pupils to join them
- Presented in SLT
- Spoke in front of 100 people in the competition

- | | | |
|-------------|-----------|------------|
| 1. Scarlett | 5. Jake | 9. Amaan |
| 2. Rabia | 6. Amaya | 10. Queen |
| 3. Kiera | 7. Davina | 11. Cheryl |
| 4. Alyssa | 8. Daisy | 12. Taibah |

A special shout out to Daisy, who, without a doubt, became the leader of the group and kept the team determined all the way through.

~ Mrs Qayyum

From Grime to Shine:

Pupils Take Pride in a Cleaner Community!

On Friday 2nd May, the Envision pupils did their big KESH Litter Pick, alongside 15 volunteers, from Year 9, who they recruited to help.

Huge thank you to Mrs Baker, Miss Lanham and Miss Savin for helping organise. CGI (our business mentors) also provided a huge number of chocolate-based prizes.

- Mrs Qayyum

More Than a Haircut: Compassion in Action for Charity

One of our Year 8 students, Thomas, has shown incredible compassion by having his head shaved in support of a close friend from his karate club who has recently been diagnosed with leukaemia.

In just two days, Thomas raised a remarkable £825 for this important cause - a true testament to his determination and the strength of his friendship.

A massive well done to Thomas, who continues to demonstrate KESH values.

Year 12 Business

The Year 12 BTEC Business and Year 12 A Level Business classes have finished the academic year by preparing presentations linking to their most recent topics or units of work.

The A Level class have studied the topic of 'Business Failure' and so were given the brief of researching and presenting on a business that had failed, whether that be completely failed or failed in a diversification attempt.

For the BTEC class, their final assignment, in their current unit, required them to present the impact innovation and enterprise has had in a chosen business and the role these key factors have had considering the changing markets they operate in.

Well done to every student for all of their hard work in researching, preparing and presenting.

- Miss Green

Brilliant Club

The Year 8 students have graduated from their Brilliant Club course, where they each wrote a 1500-word essay on the Windrush Generation. They celebrated with a trip to the University of Warwick, where they had a campus tour and a special look at the music department as well as their Graduation Ceremony.

Thanks to Mr Jennings who drove us there!

~ Mrs Qayyum

Layton Cleans Up With Car Wash Start-Up!

When most teens are busy with homework and hobbies, one ambitious student has taken matters, and sponges, into their own hands. Armed with buckets, suds, and big dreams, Layton, has launched a booming car wash business that's already turning heads and polishing profits. Let's hear more about it from Layton himself.

"You are probably wondering, a 12-year-old starting a car wash business, really? Yes, that is correct, and I would like to tell you how I started. My parents were washing the car one day and I wanted to try because I was feeling bored at the time, so they taught me how to wash the car and from that moment, my business plan sprung into my mind.

My first task was designing the company name and with the help of my parents,

and some wood, a stand was made for me. The price was set, £5 a wash, starting with an outside clean. I'd noticed at other car washes that marks are often left on the car and so, we make sure to hose it down to remove any streaks. My parents stocked me up with supplies and soon after my sign had been put up, my neighbours came to get their car cleaned and often tipped me! Eventually, it wasn't just my neighbours after a car wash, strangers were enquiring too, and I was in complete shock at how many people noticed me. To this day, I still have cars returning to get washed and people have made comments saying 'This is better than the other car washes' and that they will pass the message forward to people they know.

I didn't know this business would thrive, but I am so glad I started it. Thank you for reading about my journey."

Read our messages by hovering below

Miss Bonner and Mr Al'Adawi

As the school year draws to a close, we bid a fond farewell to Mrs Bonner and Mr Al'Adawi. We are incredibly grateful for the time, effort, and heart they have given to all our students and to the KESH community overall. While we're sad to see them go, we wish them every success and happiness in their next chapter.

Josef and Martin

We would like to offer a huge thank you and goodbye to Josef and Martin, our father and son cleaners, who have worked at KESH for 19 years! They are both returning home to the Czech Republic, where Josef will also enjoy his retirement. We wish you both the very best.
